

Hi! My name is Devon Nelson and I am thrilled to run for a seat as an ASG senator for Class of 2020! I am a junior from Pittsburgh with a major in Chemistry as well as a minor in Economics. Additionally, I am pursuing the Pre-Health track with plans of becoming a Pharmacist. Aside from ASG, I am proud member of the Men's Swimming and Diving team. This year, I hope to represent my class's interests and voices through ASG.

If you see me on campus feel free to give a wave!

I hope to represent the interests of the Senior class within ASG and to help the Class of 2021 and make next year the best yet!
