

Hi my name is Bridgit Hayes and I am running in hope of continuing to represent the Allegheny College class of 2023 as a Senator. As a sophomore, I am currently pursuing a double major in Political Science and International Studies with a minor in Arabic. Outside of ASG, I am involved in the National Bonner Service Program, a member of the Allegheny Socialist club as well as the Islamic Cultural Association and I serve as the current campus ambassador for the Peace Corps. I hope to continue to represent our class and keep our student government accountable to serving our students' diverse interests.
